Parish News

Our Mission Together Parish meeting—Sunday 22 April after 10.30am mass

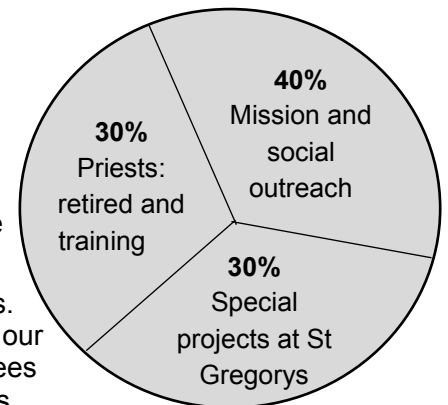

Over the past week several of our newly formed Parish Subcommittees have met to discuss and agree a way forward for the diocesan Our Mission Together project.

Our Mission Together is about financially supporting our clergy; mission and social outreach within the diocese; and receiving parish funding for special projects.

Our Mission Together will support:

- * our retired priests, including our Salesian priests
- * the training of priests (currently 8 men in training)
- * mission and social outreach projects, for example, the opening of refugee centres run by the charity Caritas (www.caritasshrewsbury.org.uk) who are working in partnership with the diocese.

Each parish in the diocese has been given a financial target to meet over 5 years. Fr Tony has gained special concessions for our Parish in the way we try to meet our financial commitments. The fine details are being worked out in our subcommittees and will be presented to the whole parish on Sunday 22 April after 10.30am mass.

Please come along and have your say

What special projects would you like to see happen in our Parish?

Would you like to support this initiative in any way?
