

Alphaonline
Life • Faith • Meaning

World turned upside down?

Fed up of lockdown?

Wondering if faith
might have answers?

Or curious simply to know more?

Alpha is a series of interactive sessions which explore questions of life, faith and meaning in a Christian context.

It takes place over a series of Wednesday mornings.

At each session we watch a short film,
followed by small group discussion.

You can share as much or as little as you want to.

Alpha is fun, relaxed and there's no pressure.

Alpha is open to people of any faith and none.

We meet using the wonders of technology!
